Rules for the Combined Dressage Award

2013/2014

1. Relevant HRC AV rules apply, unless otherwise specified for the purpose of this competition Series only.
2. Entry into the Series is included in the normal Event entry fee.
3. The Series is made up of two separate Events to be held on the 25th August 2013 by Sale and 19th January 2014 by Bennison. A **COMBINATION** of horse and rider must compete in **BOTH** Events at their **ASSESSED LEVEL** to be eligible for the Series prize.
4. Each Event is made up of three components:
 - Two individual dressage tests for which sashes will be awarded,
 - An HRC AV Jackpot competition in which the results from each of the two tests for each horse/rider combination are combined to determine the Jackpot Winner who will be awarded a Saddlecloth, sashes will be awarded to 6th place in the jackpot at each event.
 - An HRC AV Series competition where the placings from 1st to 6th in the Jackpot at each assessed level will attract Series points. The Series Winner at each HRC AV Level will receive a trophy and the Runner up will be awarded a rosette.
5. The Series will have an HRC AV Winner at each Level from 1 through to Level 5 (as no Advanced entries were received at both competitions).
6. Series points will be allocated to a horse/rider combination in the Level in which they were gained, on sliding scale: 1st = 6 points, 2nd = 5 points, 3rd = 4 points, 4th = 3 points, 5th = 2 points, 6th = 1 point.

In the result of equal placings the points will be added together and split evenly between the equal placegetters, eg in the case of an equal 1st placing between two horse/rider combinations, the points from the 1st and 2nd placings are added together and divided by two: $6 + 5 = 11 \text{ div } 2 = 5.5 \text{ pts}$ to each competitor.

Where there are less than six competitors in the competition for a particular Level the Series points will be determined by the number of horse/rider combinations in the competition, eg a competition has four horse/rider combinations, points will be allocated on a sliding scale: 1st = 4 points, 2nd = 3 points, 3rd = 2 points, 4th = 1 point.
7. If an HRC AV horse/rider combination rides in both of the Series Events and points up to the next Level for the second of the two Events, their total Series points will be eligible for Series placing in the lower Level. Eg, If a horse/rider combination gains Series points at Sale in Level 4 but then points up and rides at Bennison in Level 3, the points gained at both Levels would be amalgamated and will make the combination eligible for Series placing in Level 4.
8. A count back will be used to determine a clear winner in each Level in the case of a tie.
9. Presentations to the Series competition winners will be made at the end of the competition hosted by Bennison ARC to be held 19th January, 2014 at Won Wron Recreation Reserve.
10. Decisions made by the organising committees are final.

These rules are adapted from those for the Golden Spurs Dressage Series, the BMW Showjumping Series and the South Eastern Dressage Club Autumn Classic Dressage Series..
